Dear Mr. Isenhardt:

Re: Transfer of Happy Jack Mine, M/037/024, San Juan County, Utah

On March 24, 1993, the Board of Oil, Gas and Mining formally approved of the form and amount of reclamation surety which you posted for the Happy Jack. Board approval enables the Division to grant final approval of the transfer of the Happy Jack mine from Mr. William Petty to you. The effective date of this transfer is April 1, 1993 as signed by our Acting Director, Lowell Braxton. Enclosed are copies of all signed documents for your files.

Thank you for your help in finalizing this transfer and permitting process. Good luck with your new property.

Sincerely,

for

Holland Shepherd
Senior Reclamation Specialist
